ADVERSE COASTAL SEA WEATHER NOTICE

NOTICE

21st May, 2020

Kenya Maritime Authority (KMA) advises all boat operators, pleasure craft owners, sea anglers and fisher folk that strong southerly winds of speed of **16-28 Knots** with sea waves of heights of **2.4m to 2.7m** are expected across Kenya and East African Coastal Waters from 21st - 23rd May 2020. During this period visibility is expected to be moderate.

KMA therefore advises all boat operators, pleasure craft owners, sea anglers, fisher folk, boat passengers and the general public to exercise caution when venturing out to sea during this period.

All are also advised to comply with curfew timing and movement restrictions as directed by the National Government.

The Authority's Regional Maritime Rescue Coordination Centre (RMRCC) can be reached at all times through its emergency lines: **0721-368313** or **0737-719414** for reporting and co-ordination of search and rescue operations at sea.
