OCTOBER 2026

The **Kenya Maritime Authority (KMA)** invites trainees and graduates of Maritime Transport & Logistics-related programmes at **KMA-approved training institutions** to apply for internships and industrial attachment with Maritime Transport Operators. The programme aligns maritime training with industry needs, builds a pipeline of competent, industry-ready professionals for Kenya's maritime transport and logistics sector, and strengthens the link between industry and academia in support of the Blue Economy.

## WHO CAN APPLY

- ✓ Current trainees in a **Maritime Transport & Logistics-related** programme
- ✓ Recent graduates of such a programme
- ✓ From a **KMA-approved** Maritime Education and Training Institution
- ✓ Nominated by their training institution

## PLACEMENT AREAS MAY INCLUDE

- ◆ Container Freight Station (CFS) Operations
- ◆ Ship Agency Operations
- ◆ Maritime Transport Logistics
- ◆ Freight Forwarding
- ◆ Shipping & Logistics
- ◆ Warehousing, Distribution & Supply Chain

## HOW TO APPLY

Apply through your training institution, not directly to KMA.

1

### Prepare your documents

Application letter, recommendation letter from your institution, CV, copy of National ID, and copies of academic and professional certificates.

2

### Submit your application to your institution

through the Industrial Liaison / Attachment Office.

3

### Institutions recommend eligible candidates to KMA

and email their details and documents to **info@kma.go.ke** before the deadline.

4

### KMA reviews and places

successful candidates with suitable Maritime Transport Operators.

**Please note:** Placement is subject to available opportunities, programme requirements and the capacity of each Maritime Transport Operator. **KMA does not charge any fee for this placement process.**
