Notice to Mariners

No 1 of 2020

3rd February 2020

SURVEY ACTIVITIES IN THE SHALLOW WATERS OFF NYALI BEACH, MOMBASA COUNTY

In accordance with the Merchant Shipping Act (Cap 389) Section 219, the Kenya Maritime Authority advises all mariners and the general public of scheduled submarine cable laying survey activities in shallow waters off Nyali Beach Coastline, Mombasa County from **4th to 10th February 2020**.

The Authority advises fishermen, sailors and the general public to exercise caution when navigating through waters off Nyali Beach and to give a wide berth to the survey boat '**MING JAI**'.

The Authority will continue to work with the Company, mariners and the general public community to ensure safety of navigation during the project implementation period and urges mariners and the public to report any observed dangers to safety of navigation.
