THE MERCHANT SHIPPING ACT,

(Cap 389)

IN EXERCISE of the powers conferred by section 14 of the Merchant Shipping Act, the Cabinet Secretary for Mining, Blue Economy and Maritime Affairs makes the following Regulations—

THE MERCHANT SHIPPING (CABOTAGE) REGULATIONS, 2025

PART I—PRELIMINARY	
Citation.	1. These Regulations may be cited as the Merchant Shipping (Cabotage) Regulations, 2025.
Interpretation.	2. (1) In these Regulations, unless the context otherwise requires—
Cap 389.	“Act” means the Merchant Shipping Act;
Cap 370.	“Authority” means the Kenya Maritime Authority established under the Kenya Maritime Authority Act;
	“cabotage area” means Kenyan waters, internal waters, inland waters, the exclusive economic zone and continental shelf;
	“cargo” means goods carried in or on a vessel whether or not of commercial value and includes livestock;
Cap 371.	“exclusive economic zone” has the meaning assigned to it under section 2 of the Maritime Zones Act;
	“foreign ship” means a ship not registered in Kenya;
	“Kenyan waters” means the sea or other waters within the seaward limits of the territorial sea of Kenya;
	“Kenyan ship” means a ship registered in Kenya under the Act and “Kenyan vessel” and “Kenyan fishing vessel” shall be construed accordingly;
	“local trade” includes—
	(a) the transportation of cargo by ship between Kenyan ports within the cabotage area;
	(b) the transportation of passengers by ship between Kenyan ports within the cabotage area;

Merchant Shipping (Cabotage) Regulations, 2025

	(c) the transportation in relation to exploration and exploitation of living or non-living natural resources by ship within the cabotage area; and
	(d) the engaging, by ship, in any other maritime transportation activity of commercial value within the cabotage area.
	(2) For the purpose of these Regulations, local trade within the cabotage area includes commercial activities carried out on; offshore drilling unit, production platform, artificial islands, subsea installation, pumping station, living accommodation, storage structure, loading or landing platform, dredging systems, floating crane, pipe laying barge or other barge or pipeline and any anchor cable or rig pad, used in connection therewith.
	(3) The engaging by a ship in the activities described in sub-regulation (2) shall be construed as local trade.
Application of the Regulations.	3. These Regulations shall apply to the following ships engaged in local trade within the cabotage area—
	(a) Kenyan ships;
	(b) foreign ships subject to the provisions of any treaty or agreement with any foreign government; and
	(c) foreign ships licenced or exempt from licensing requirements under these Regulations.
Object of the Regulations.	4. The object of these Regulations is to—
	(a) promote a viable shipping industry that contributes to the broader Kenyan economy;
	(b) facilitate the long-term growth of the Kenyan shipping industry;
	(c) enhance the efficiency and reliability of Kenyan shipping as part of the national transport system;
	(d) maximise the use of ships licenced or registered in Kenya in local trade;
	(e) promote fair competition in local trade;

	(f) ensure efficient movement of passengers and cargo between Kenyan ports; and
	(g) enhance local human resource development in the maritime transport industry.
PART II—RESTRICTION ON TRADING	
Ships eligible to engage in local trade.	5. Unless expressly provided otherwise, ships eligible to engage in local trade include—
	(a) passenger ships;
	(b) crew boats;
	(c) cable ships;
	(d) container ships;
	(e) drill ships;
	(f) bunkering ships;
Cap 378	(g) fishing vessels;
	(h) barges;
	(i) offshore service ships;
Cap 391	(j) tugs;
	(k) anchor handling tugs and supply ships;
	(l) floating storage facilities;
	(m) tankers;
	(n) carriers;
	(o) diving support ship;
	(p) dredger; and
	(q) any other craft or vessel used for carriage of cargo or passengers within the cabotage area.
Kenyan ships engaging in trade.	6. A Kenyan ship may engage in local trade within the cabotage area if the ship is registered or licenced in accordance with the Act.

Merchant Shipping (Cabotage) Regulations, 2025

Crew on board Kenyan ships.	7. (1) A Kenyan ship shall wholly be manned by Kenyan citizens.
	(2) The Director-General may grant an exemption to a Kenyan ship engaging in local trade to be manned by a foreign officer or rating where the manning of the ship requires special manning expertise that is not available.
	(3) An application for exemption under sub-regulation (2) shall be in the Form 1 as set out in the First Schedule.
	(4) An exemption granted under sub-regulation (2) shall be—
	(a) based on contributions made towards training of Kenyan cadets on board the vessel and, or transfer of technology and skills;
	(b) in the form set out in Form 2 in the First Schedule; and,
	(c) upon payment of the fees set out in the Second Schedule.
	(5) Exemptions and all other relevant documents issued under these Regulations shall be carried on board the ship at all times.
Foreign ships engaging in local trade.	8. (1) A foreign ship shall not engage in local trade within the cabotage area unless it is licensed under these Regulations.
	(2) Subject to sub- regulation (1) a foreign ship may be licenced to engage in local trade within the cabotage area in the following circumstances—
	(a) where there is no Kenyan ship available to provide the service
	(b) where the Kenyan ship has no capacity to provide the service; or,
	(c) where there is a treaty or agreement between Kenya and the country of registration of the foreign ship.
Application for licence by foreign ships.	9. (1) An owner, agent or master of a foreign ship, to which regulation 8(2) (a), (b) and (c) applies, may apply to the Authority for a licence to engage in local trade within the cabotage area in Form 3 set out in the Schedule.
	(2) The Director-General shall, in addition to the requirement under sub-regulation (1), ensure that the foreign ship—

	(a) has a valid certificate of foreign registry;
	(b) submits the required documents of proof of ownership;
Cap 486	(c) the owning company of the foreign ship has a registered place of business or a representative office in Kenya in accordance with the Companies Act;
	(d) proof of payment of the applicable duties, levies and tariffs imposed by the relevant authorities applicable to foreign ships with respect to its participation in the local trade;
	(e) possess all certificates and documents in compliance with international and regional maritime instruments and that such certificates and documents are current and valid;
	(f) meets safety, security and pollution requirements provided under the Act and any other related laws;
	(g) the service or activity that is to be performed by the foreign ship is well defined;
	(h) the service or activity that is to be performed does not contravene the provision of any laws of Kenya or government directive;
	(i) the place where the foreign ship perform(s) that service or activity is well defined;
	(j) the manning of the ship comprises of not more than ten percent of the foreign workforce, unless expressly provided otherwise; and
	(k) any other condition that the Director-General may consider reasonably appropriate and in the national interest.
	(3) The crewing requirements under sub-regulation (2) (j) shall comply with the—
	(a) minimum safe manning requirements; and
	(b) standards of training and certification requirements.
	(4) The Director-General may in relation to sub-regulation (2) (j) grant an exemption to a foreign ship in the Form 2 set out in the First Schedule, based on: -

Merchant Shipping (Cabotage) Regulations, 2025

	(a) opportunities available to train Kenyan cadets on board the vessel; and, or
	(b) transfer of technology and skill; and,
	(c) upon payment of fees set out in the Second Schedule
	(5) In determining the ownership of a ship under this regulation, the Director-General shall have due regard to—
	(a) the last certificate of registration of the ship;
	(b) the bill of sale;
	(c) the ownership of shares in the company applying to be registered; and
	(d) the apportionment of shares in the ownership of the ship.
	(6) The Director-General may request an applicant under this regulation to submit such further information or documentation as deemed necessary.
	(7) Upon considering an application under this regulation, the Director-General may approve the application and issue a licence in Form 4 set out in the Schedule or reject the application indicating the reasons thereof within thirty days of submitting the application.
	(8) A licence issued under this regulation shall not preclude a licensee from compliance with any Kenyan or regional laws and international instruments for which Kenya is a party.
	(9) The licence and all relevant documents issued under these Regulations shall be carried on board the ship at all times.
Application for licence by foreign ships under a treaty or agreement.	10. (1) An owner, agent or master of a foreign ship to which regulation 8(2) (d) applies, may apply to the Authority for grant of a licence to engage in local trade within the cabotage area in Form 3 set out in the Schedule.
	(2) The Director-General shall, in considering an application in sub-regulation (1), ensure that—

	(a) there exists a treaty or agreement between Kenya and the country of registration of the foreign ship;
	(b) the foreign ship meets all safety, security and pollution requirements imposed by Kenyan law and any international instruments in force; and
	(c) the foreign ship possesses all certificates and documents in compliance with international and regional maritime instruments and that such certificates and documents are current and valid.
	(d) the foreign ship contributes to training of Kenyan cadets on board the vessel and, or transfer of technology and skill.
	(3) An application under this regulation shall be processed in accordance with the procedure in regulation 9.
	(4) The licence issued under this regulation shall be in Form 4 set out in the Schedule and shall be subject to the terms and conditions under the treaty or agreement.
<i>Fees.</i>	11. An applicant for a licence under these Regulations shall pay fees prescribed in the Second Schedule.
<i>Duration of the licence.</i>	12. A licence granted under these Regulations shall specify the validity period, which period shall not in any circumstance exceed one year from the date of issue.
<i>Suspension or cancellation of a licence.</i>	13. The Director-General may, by notice set out in Form 5 of the Schedule, suspend or cancel a licence where—
	(a) the owner or master of the licenced ship is convicted of an offence under the Act or any other written law;
	(b) there has been failure to comply with any term or condition to which the licence is subject to;
	(c) a subsequent change in the ownership structure of the vessel or the owning company as the case may be, has contravened the provisions of these Regulations under which the vessel was licensed and the relevant provisions of the Act;

	(d) the required certification and documentation has expired;
	(e) the ship undergoes alterations or modifications which are deemed by the Authority to be of a major character;
	(f) the ship is decommissioned, abandoned or declared a wreck; or
	(g) the ship is no longer eligible for licensing under these Regulations.
Review.	14. (1) A person aggrieved by the decision of the Director-General under regulation 13, may apply to the Director-General for a review of the decision within thirty days from the date of the decision.
	(2) The application under sub-regulation (1) shall be in writing and shall state the grounds upon which it is lodged.
	(3) The Director-General shall within thirty days of receipt of the application, communicate the decision in writing to the person lodging the application stating reasons for the decision.
	(4) Where the Director General has not communicated the decision on the application for review within the time specified in sub-regulation (3) the Director General shall be deemed to have made a decision to allow the application.
	(5) A person aggrieved by a decision made upon review under this regulation, may appeal in accordance with the provisions of the Act.
Exemptions.	15. (1) Notwithstanding regulation 8, a foreign ship may be exempt from the licensing requirements under these Regulations—
	(a) upon request to render assistance or in response to a distress call;
	(b) undertake salvage operations as provided in the Act;
	(c) undertake marine pollution emergency response as provided in the Act;
	(d) during a national emergency; or
	(e) undertake marine scientific research commissioned by the relevant Ministry under a collaborative framework.

	(2) The Authority may upon an application by an owner, agent or master of a ship, grant exemptions on such terms and conditions as may be necessary, with respect to the application made under these Regulations provided that any such exemptions granted is in the public interest and shall not compromise maritime safety and security standards.
	(3) Exemptions granted under sub- regulation (2) shall be in writing and shall specify the time when the owner, agent or master of the ship is expected by the Authority to fully comply with the requirements of these Regulations and the period within which the exemption shall cease to be effective.
PART III—MISCELLANEOUS PROVISIONS	
Reporting	16. A person licenced to engage in local trade within the cabotage areas shall, at the end of the licence period or the financial year, whichever comes first, submit to the Authority a report of trade activities undertaken during the licence period.
Request for information.	17. In exercise of the Authority’s powers and functions, the Director General may by notice in writing require a person to—
	(a) furnish the Authority within such time as may be specified in the notice, any document specified or described which is in the custody or control of such a person;
	(b) produce for inspection, books, returns, accounts or records in his possession or control; or
	(c) provide access for inspection of any equipment, facilities and systems.
Register.	18. (1) The Director-General shall maintain a register for—
	(a) ships engaged in local trade within the cabotage area; and
	(b) any other category deemed necessary.
	(2) The Director General may remove the name of a ship from the register where—
	(a) the licenced ship is no longer entitled to remain licenced under regulation 13;

Merchant Shipping (Cabotage) Regulations, 2025

	(b) the owner, master or agent of the licenced ship uttered false information or documentation in order to facilitate issuance of a licence; and
	(c) the licenced ship becomes a total loss or being otherwise destroyed by inter alia, shipwreck, demolition, fire or sinking.
Offences.	19. (1) An owner, agent or master of a ship who—
	(a) engages in local trade within the cabotage area without a valid certificate of registration or licence; or
	(b) fails to comply with the conditions of licence while engaging in local trade within the cabotage area,
	commits an offence and shall be liable upon conviction to the penalty under section 14 (4) of the Act.
Inspection	20. The Director General shall, prior to issuance of licence, cause a ship to be inspected at a fee to determine if it meets the requirements of these Regulations.
Savings and transition	21. (1) A licence, issued to a foreign ship to trade within the cabotage area, in force before the commencement of these Regulations shall remain in force for the remainder of the period for which it was issued and comply with the conditions attached to the licence.
	(2) an owner, agent or master of a ship engaging in local trade within the cabotage area shall comply with the crewing requirements of these Regulations within two years from the date of coming into force.
